Healthy Passport Program

Creating a Community of Care

Getting **excellent health care** shouldn't be a difficult journey. Thanks to **teamwork** between FLORIDA HOSPITAL Fish Memorial (FHFMM) and the Chamber of Commerce of West Volusia, you don't have to travel far for **affordable health care**. Our new **Healthy Passport Program** gives Chamber members and their families improved access to care, whether or not they have health insurance.

Call (386) 917-5000 today for more information.

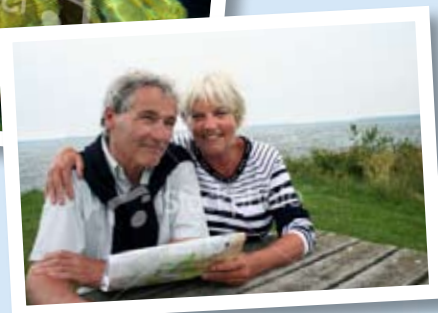

Discover a World of Benefits

Chamber Passport members enjoy exclusive advantages that benefit their wellness and their wallets:

- **FHFMM Health Pass** – Swipe your Health Pass ID card at any FHFMM kiosk and you're on your way to a fast check-in.
- **SAME DAY Appointments** – Guaranteed to Passport members and dependents.*
- **50% Discounts** – Self-pay members and dependents save on same day services (inpatient admissions, emergency visits, outpatient elective services).**
- **Online Access** – Swift and secure, our website allows you instant access to:
 - Pay bills
 - Request appointments
 - View health records
 - Receive cafeteria and gift shop discounts
 - Read *Well Aware* – the official health publication of Fish Memorial
 - Send e-cards to patients or staff
- **Welcome Kits** – A wealth of valuable health information, plus a "tour" of FHFMM services, support groups and screening schedules.
- **Complimentary Health Assessments** – Twice a year, members receive a health assessment and cardiac risk screening (glucose, cholesterol, triglycerides, HDL, LDL, VLDL and risk ratio).
- **FHFMM Mall Walkers Club Membership** – The free, fun path to fitness! Walkers receive complimentary fitness evaluations and pedometers.
- **10% Discounts** – Additional savings from participating local businesses.

*Prior authorization or referral required. Co-pays due at time of service. Physician fees are separate and billed directly to members.

**Discounted services include: echocardiogram, vascular study, EKG, MRI, CT, mammography, bone density scan, ultrasound.

Bridging the Health Care Gap

The Healthy Community Passport helps Chamber members save money, practice preventive care and close health care gaps primary insurance may not cover. Even uninsured members gain better access to care and savings.
